

PP Options Sequence #2

Description

F2 passes to F1, F1 one-touch back to F2

F1 breaks to net calling for puck.

F2 fakes pass to F1, then skates up wall and passes to D1

D1 drags (skates) puck across blue line

F2 skates up higher along wall for possible return pass from D1

D1 takes shot on net.

F1 screens

F3 position for rebound or possible pass from D1

X's play PK box, but are passive and let the PP unit make the passes around them

After shot, F2 returns to half-wall position. F1 goes down and picks up puck to start next sequence.

Key Points: Passing, Support, Communication, Shots, Rebounds
